

**Heading**

New Avengers Facility  
New York State

**Greeting**

Dear Captain America,

You are my favorite hero. I like that you always do good and are always kind. I'm training to be a hero like you. This week, we're learning about kindness. Ephesians 4:32 says, "Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you."

My brother likes Iron Man. He's cool, but I like you best. Thank you for saving the world over and over again.

**Body**

Your Friend,

**Closing**

Kian Bott

## A Letter to a Super Hero

We are practicing letter writing at Twelve Oaks Schoolhouse. We are in the middle of Hero Training too. I love combining lessons and I try to make sure my kids have fun while learning. So I combined Hero Training and letter writing with this simple letter form with space for the kids to write a heading, a greeting, the body of the letter, a closing and their signature. Now they can write a letter to a super hero of their choosing.

Enjoy!

Kendra Bott
