## A New Ending

Write a new ending to the story of Hansel and Gretel. Does the witch let Hansel out? Does the dad go find his kids? Maybe they end up living in the candy house. You choose. Be creative!

The old woman gave Hansel stew and candy and milk and fruit. She gave Gretel crusts of bread and made her clean the house. Day after day, Gretel was made to be the old woman's slave, and Hansel was locked in the bird cage given lots offood to eat.
"Eat well, little boy. You need to fatten up."
"Hansel, Hansel. I'm so scared." Gretel whispered to him while the old woman was distracted.
"You must do something, Gretel. You must be brave," he told his sister.
