

Thumbelina

Story Elements

The inciting incident pushes the plot into motion, events begin to build, the protagonist takes action... What is the **Inciting Incident** of Thumbelina?

What is the **Climax** of the Story? (the height of the story's action, often answers the story's biggest question, marks the beginning of the story's resolution)

Theme:

What is the main type of **Conflict** in the story? (circle one)
Protagonist vs Antagonist
Protagonist vs Nature
Protagonist vs Self
Protagonist vs Society

Setting (where and when):

Secondary Characters:

Main Character:

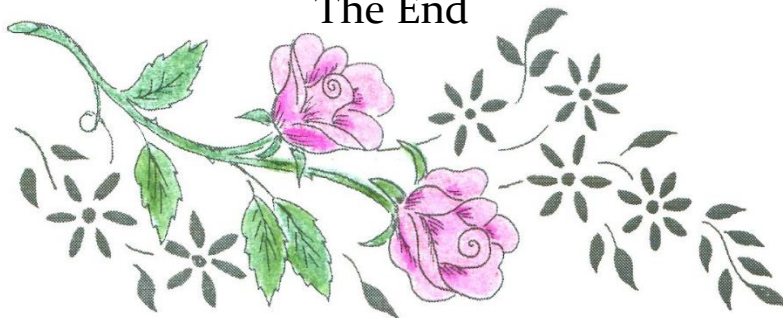

Thumbelina

Fractured Fairy Tale

A fractured fairy tale is a fairy tale with a twist. Write your own version of Thumbelina. (suggestions: add a character, put it in verse, tell the story from a different point of view, mix it with another fairy tale, change the characters to animals, etc. (use extra paper if needed))

Once upon a time, _____

The End

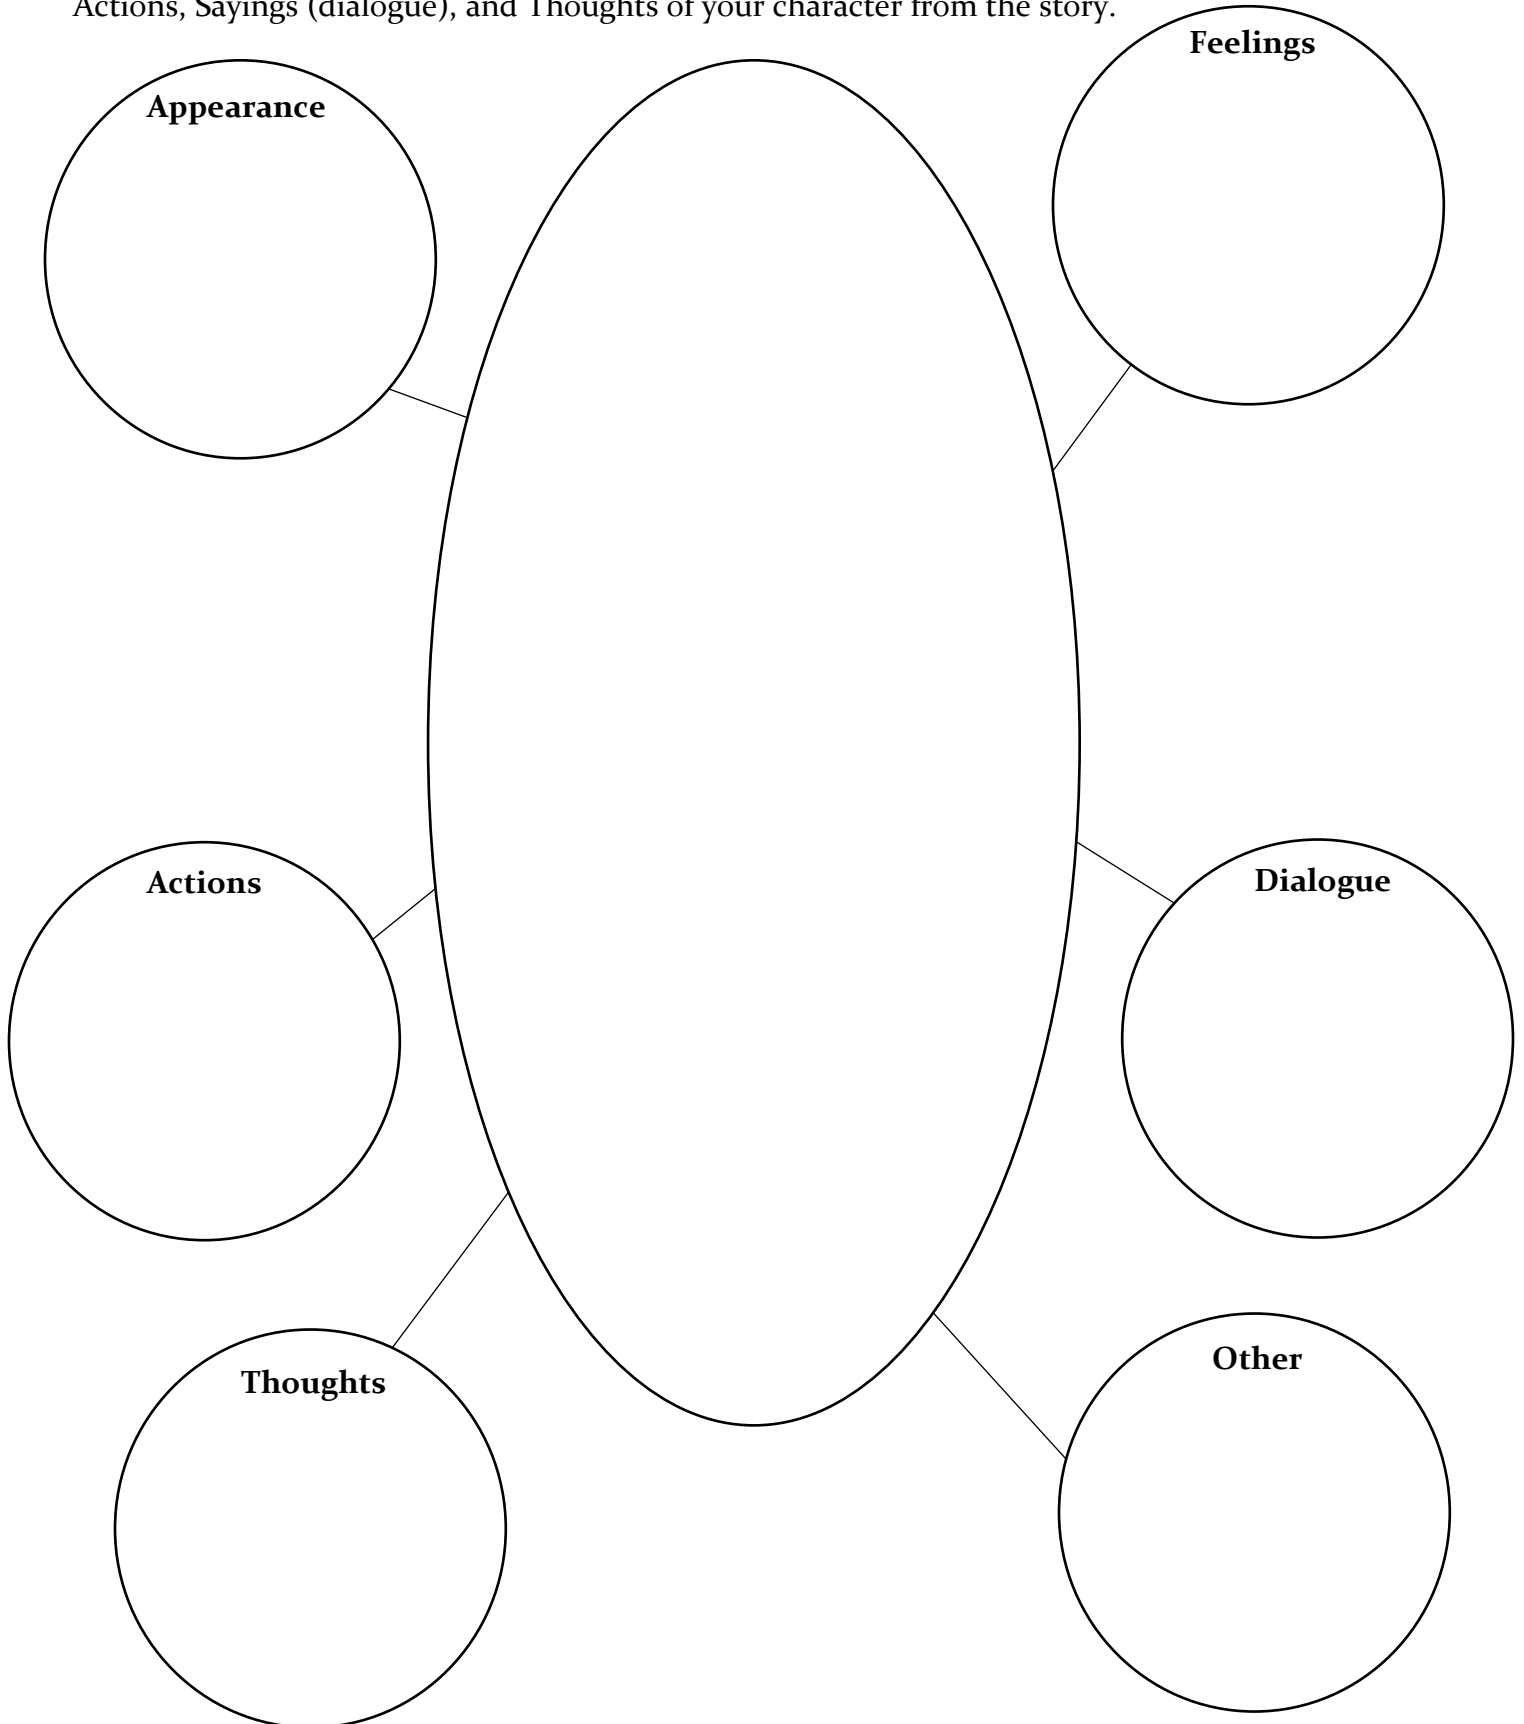

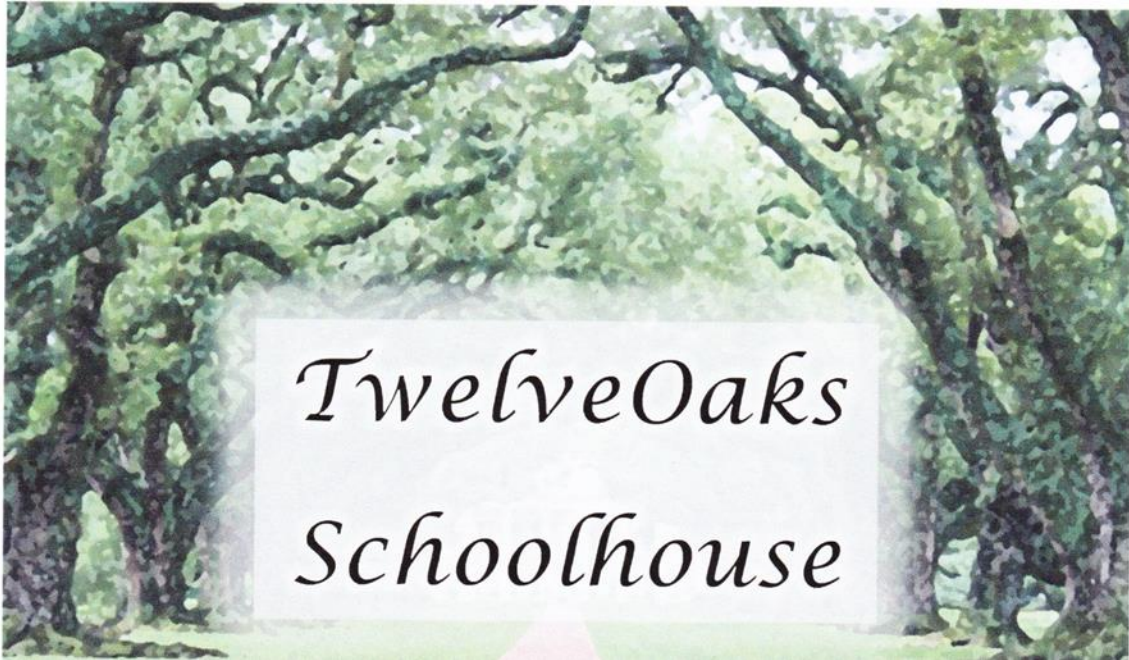

Thumbelina

Character Analysis

Draw a picture and do a character analysis on one of the characters of the story. Describe his/her appearance and personality traits. You can infer his/her traits by thinking “F.A.S.T.” Study the Feelings, Actions, Sayings (dialogue), and Thoughts of your character from the story.

Writing Extras ~ Thumbelina

Thank you for downloading the Thumbelina Writing Extras. All of the curriculum on my website is intended for home use. There are Amazon Affiliated links on my site of any books or supplies I mention. If you decide to buy any of them, please use the links on my website. I take no credit for most of the images I use. It's either on-line clip art or pictures that I may or may not modify, or drawings from my son, Sky Bott. He asks that I mention his YouTube channel, MrSkyPanda. It's a family friendly channel. I'm especially proud of the CandyWorld Episodes.

If you really enjoy Twelve Oaks Schoolhouse curriculum and printables, consider donating on the website.
