Activities:

1. The Palace of Versailles was built during the Baroque movement. The history of this time period in France is fascinating. Study the Sun King, Louis XIV, his descendants and Versailles.

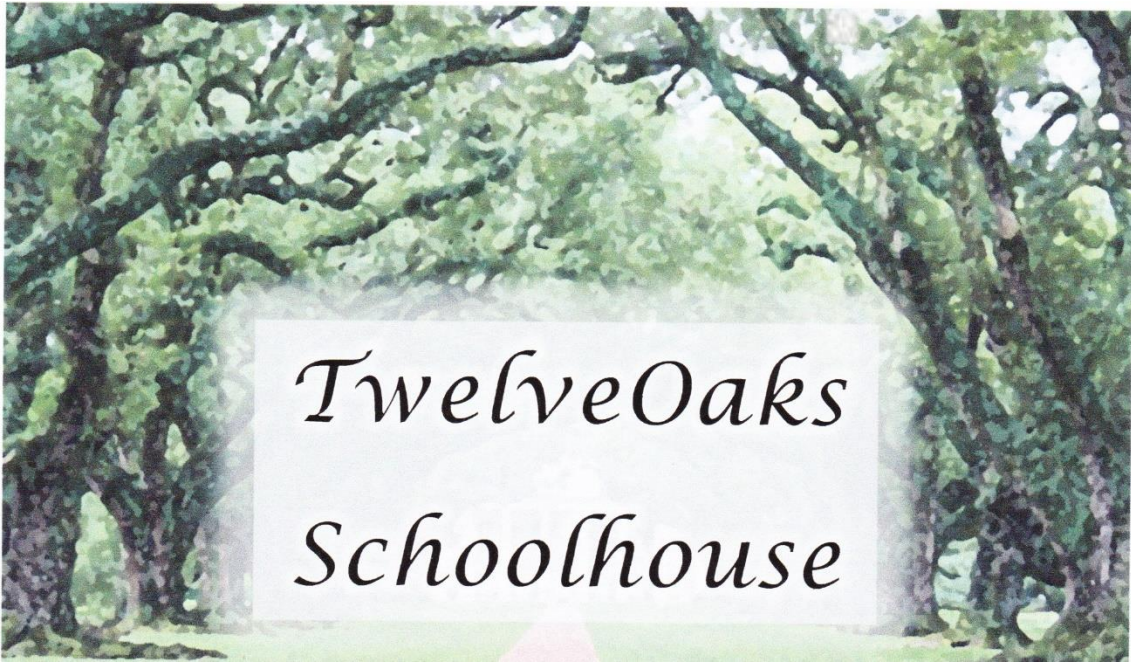

2. The Baroque movement was known for its sculptures being full of flawless emotion and no one was better at it than Gian Lorenzo Bernini. Make a sculpture of your own. Use whatever material you wish; clay, plaster, rock. Be sure to add tons of emotion to it.

Art Appreciation - Baroque

Thank you for downloading the Baroque Study Guide. All of the curriculum on my website is intended for home use. There are Amazon Affiliated links on my site of any books or supplies I mention. If you decide to buy any of them, please use the links on my website. I take no credit for most of the images I use. It's either on-line clip art or pictures that I may or may not modify, or drawings from my son, Sky Bott. He asks that I mention his YouTube channel, MrSkyPanda. It's a family friendly channel. I'm especially proud of the CandyWorld Episodes.
