

Cubism

Shattered Reality

Cubism was pioneered by Pablo Picasso and Georges Braque in the early 20th century. In Cubist artwork, objects are analyzed, broken up and reassembled in an abstracted form— instead of depicting objects from a single viewpoint, the artist depicts the subject from a multitude of viewpoints to represent the subject in a greater context.

Pablo Picasso

The Rower 1910 (top)

Woman in Orange Hat 1930
(middle right)

Dora Maar in Armchair 1939
(bottom right)

George Braque

Portrait of a Woman 1911
(lower left)

Cards and Dice 1914
(middle)

Still Life le Jour 1929
(bottom middle)

Art Appreciation – Cubism

Thank you for downloading the Cubism Study Guide. All of the curriculum on my website is intended for home use. There are Amazon Affiliated links on my site of any books or supplies I mention. If you decide to buy any of them, please use the links on my website. I take no credit for most of the images I use. It's either on-line clip art or pictures that I may or may not modify, or drawings from my son, Sky Bott. He asks that I mention his YouTube channel, MrSkyPanda. It's a family friendly channel. I'm especially proud of the CandyWorld Episodes.

If you really enjoy Twelve Oaks Schoolhouse curriculum and printables, consider donating on the website.
