Thank you for downloading the Surrealism Study Guide. All of the curriculum on my website is intended for home use. There are Amazon Affiliated links on my site of any books or supplies I mention. If you decide to buy any of them, please use the links on my website. I take no credit for most of the images I use. It's either on-line clip art or pictures that I may or may not modify, or drawings from my son, Sky Bott. He asks that I mention his YouTube channel, MrSkyPanda. It's a family friendly channel. I'm especially proud of the CandyWorld Episodes.
